1.2 To submit bids electronically, bidders must ensure they are registered in the MAGIC system and have received a login, password, and supplier number and that all technical requirements have been met.

1.3 If a bidder is unwilling or unable to participate through MAGIC, a Mississippi Forestry Commission representative can enter the Vendor's bid(s) manually (i.e. Surrogate bidding).

1.4 Bidders participating in person by surrogate bidding must so indicate in their response to the initial Request for Quote-Formal (RFQF).

1.5 Failure to examine any drawings, specifications, and instruction will be at bidder's risk.

1.6 Price each item separately. Unit prices shall be shown. Bid prices must be net.

1.8 Bidders must furnish all information requested in the bid specifications. Further, when required each bidder must submit for bid evaluation cuts, sketches, descriptive literature and technical specifications covering the product offered. Reference to literature submitted with a previous bid or on file with the Mississippi Forestry Commission will not satisfy this provision.

The Mississippi Forestry Commission reserves the right to modify or cancel in whole or in part any Invitation for Bids.

If a bidder fails to state the time within which a bid must be accepted, it is understood and agreed that the Mississippi Forestry Commission shall have 60 days to accept.

4. ERROR IN BID

4.1 IF a vendor is participating in a Live Auction, the vendor can notify the Mississippi Forestry Commission in the event of an erroneous bid via the chat message feature. Erroneous bids, where the mistake is apparent to the Mississippi Forestry Commission, may be deleted during the live auction.

5. AWARD

5.1 Contracts and purchases will be made or entered into with the lowest responsible bidder meeting specifications, except as otherwise specified in the bid specifications. Where more than one item is specified in the specifications, the Mississippi Forestry Commission reserves the right to determine the low bidder either on the basis of the individual item(s) or on the basis of all items included in its Invitation for Bids, or as expressly provided in the Mississippi Forestry Commission Invitation for Bids.

5.2 Unless the bidder specified otherwise in the bid, the Mississippi Forestry Commission may accept any item or group of items of any kind.

5.3 A written purchase order or contract award furnished to the successful bidder within the time of acceptance specified in the Invitation for Bid results in a binding contract without further action by either party. The contract shall consist solely of these General Conditions, the Instructions and Special Conditions, the successful bidder's bid, and the written purchase order or contract award. The contract shall not be assignable in whole or in part without the written consent of the Mississippi Forestry Commission.

6. INSPECTION

6.1 Final inspection and acceptance or rejection may be made at delivery destination, but all materials and workmanship shall be subject to inspection and test at all times and places, and when practicable. During manufacture, the right is reserved to reject articles which contain defective material and workmanship. Rejected material shall be removed by and at the expense of the contractor promptly after notification or rejection. Final inspection and acceptance or rejection of the materials or supplies shall be made as promptly as practicable, but failure to inspect and accept or reject materials or supplies shall not impose liability on the Mississippi Forestry Commission or any subdivision thereof for such materials or supplies as are not in accordance with the specification. In the event necessity requires the use of materials or supplies not conforming to the specification, payment therefore may be made at a proper reduction in price.

7. TAXES

7.1 The State is exempt from federal excise taxes and state and local sales or use taxes and bidders must quote prices which do not include such taxes. Exemption certificates will be furnished upon request.

8. BIDDERS

8.1 Bidding by state employees is prohibited. It is unlawful for any state official or employee to bid on, or sell, or offer for sale, any merchandise equipment or material, or similar commodity to the State of Mississippi during the tenure of his or her office or employment, or for the period prescribed by law thereafter, or to have any interest in the selling of the same to the State.

Should a conflict exist between the General Conditions and the Instructions and Special Conditions, the Instructions and Special Conditions shall take precedence.

12. WAIVER

12.1 The Mississippi Forestry Commission reserves the right to waive any General Condition, Special Condition, or minor specification deviation when considered to be in the best interest of the State.

13. CANCELLATION

13.1 Any contract or item award may be canceled with or without cause by the Mississippi Forestry Commission with the giving of 30 days written notice of intent to cancel. Cause for the Mississippi Forestry Commission to cancel may include, but is not limited to, delivery on time and/or no notice of delay in delivery time. Should the contract be canceled by the Mississippi Forestry Commission for failure to perform, the contractor will be disqualified from bidding for a period of twenty-four (24) months. The contractor may cancel a contract for cause with a thirty (30) day written notice of intent to cancel. In the event of cancellation of contract for any cause, whether failure to perform or cancellation by contractor, the Mississippi Forestry Commission will proceed to the next lowest vendor.

14. NONRESPONSIVE BIDS

14.1 Nonresponsive bids will not be considered. A non-responsive bid is considered to be a bid that does not comply with the minimum provisions of the specification. Any bidder found to repeatedly offer alternate products that are not compliant with specifications in an attempt to obtain a contract on the basis of pricing only will be disqualified from bidding for a period of 24 months.

15. SPECIFICATION CLARIFICATION

15.1 It shall be incumbent upon all bidders to understand the provisions of the specifications and to obtain clarification prior to the time and date set for the bid opening. Such clarification will be answered only in response to a written request.

16. PRE-QUALIFICATION PROCESS

16.1 The purpose of the RFQF is to advertise the competitive procurement for solicitation of formal quotes from potential bidders to participate in the Reverse Auction. The Mississippi Forestry Commission will be responsible for defining product categories, adding bidders, and publishing all bid related documents to the procurement portal. Once the responses have been received and the Opening Date has been reached, the Mississippi Forestry Commission will review the submissions to qualify bidders and determine a starting price for reverse auction items.

16.2 The Invitation for Bids/RFQF shall be advertised in accordance with Section 3.106.05.4 of the Mississippi Procurement Manual. The Mississippi Forestry Commission shall advertise for 14 consecutive days in accordance with Section 31-7-13(c) (i) (1) of the Miss. Code Ann. Responses to the RFQF will be due on the 8th working day after the last day of advertisement.

16.3 Responses to the RFQF will be reviewed by the Mississippi Forestry Commission for responsiveness to specifications. Price quotes received will be evaluated in conjunction with other market research to determine the starting price for the Auction.

16.4 The Mississippi Forestry Commission will accept bidder responses in MAGIC who have qualified meeting RFx specifications. Bidders not meeting specifications will not be allowed to participate in the Auction.

16.5 Once qualified, the Mississippi Forestry Commission will notify the vendor of Qualification and the date of the Live Auction via email. After receiving the confirmation email, bidders should review/ensure technical requirements for MAGIC have been met or confirm participation in person.

16.6 It is requested that bids be submitted on the basis of statewide distribution. Contractors must maintain adequate distribution capabilities and adequate stock of all items to insure prompt delivery.

17. STATEWIDE BIDDING

19. CONTRACT EXTENSION

19.1 Automatic contract renewals or extensions are not allowed. Contracts must be extended or renewed with the proper documents signed or approved by the Mississippi Forestry Commission.

19.2 The Mississippi Forestry Commission reserves the right to extend the term of a contract, when necessary, to continue a source of supply whenever new or replacement contracts are not completed prior to the expiration date. Such extensions are dependent upon the agreement of the Contractor and shall not exceed three (3) months.

20. SUSPENSION AND DEBARMENT

20.1 By submitting a bid, the bidder is certifying that neither the bidder nor any potential subcontractors are debarred or suspended or are otherwise excluded from or ineligible for participation in federal assistance programs.

Examples of reasons to extend an auction include, but are not limited to, technical difficulties experienced by the Mississippi Forestry Commission or bidder, the need to pause the Auction, or bids placed within the last few moments of bidding.

23.3 Communication with bidders participating electronically during the Auction may be done via the Live Chat Feature. The Mississippi Forestry Commission has the ability to send messages to particular bidders or broadcast to all bidders. Bidders can ONLY communicate with the Mississippi Forestry Commission, not other bidders.

Bids shall be received by the agency until the new date and time of the bid opening as set forth herein. The Mississippi Forestry Commission shall not be held responsible for the receipt of any bids for which the delivery was attempted and failed due to the closure of the Mississippi Forestry Commission as a result of a Force Majeure Event.
